

Me&Mom are happy with special gift box with easily open ♡

Why not gift a smile to someone special

Let's start use "Nice and Easy Carton Box"
We call that box is Suru Suru Paratto

スルスル
パラット®
フラワー

Safety cardboard box that does not use any wire.

We get many the corrugated cardboard boxes. It is always inconvenient when opening. But, not care inconvenience of the other party when it comes in a position to give. This lovely package is a package that feelings of people who give are delivered straight. Why do not you start from today for the smile of a person to open?

Do not need cutter knife when opening.

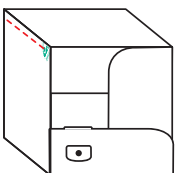

Because We do not put a product from the top at packing, it can be packed even a woman easily.

Because I do not lift a product at the time of opening, I never break it.

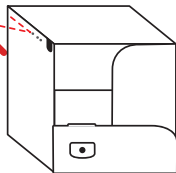

Way of opening cardboard case

To open it up, you cut the edge of the glue tab apart, and pull the thread off. You can open up the box completely, with ease and with no need for a knife.

The gift is arrived.

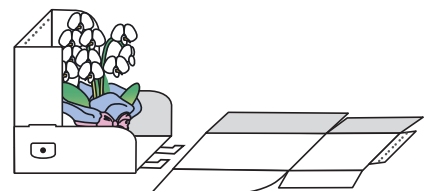

It is safe because we do not use a cutter knife.

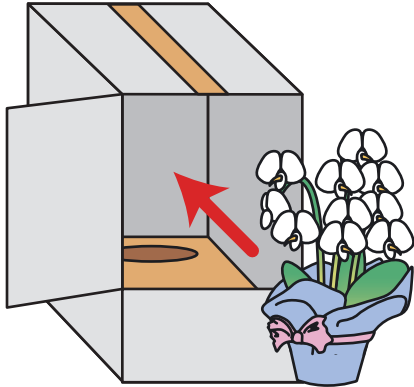

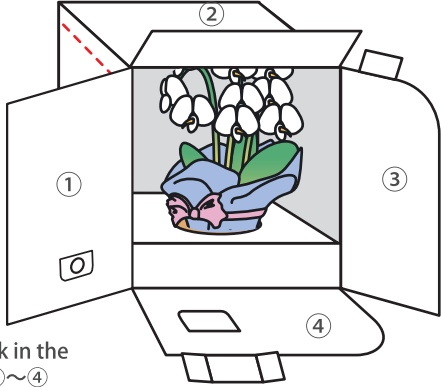

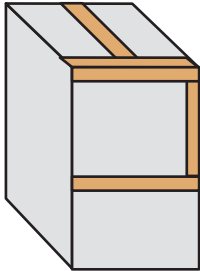

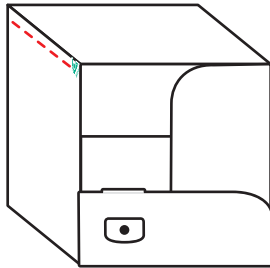

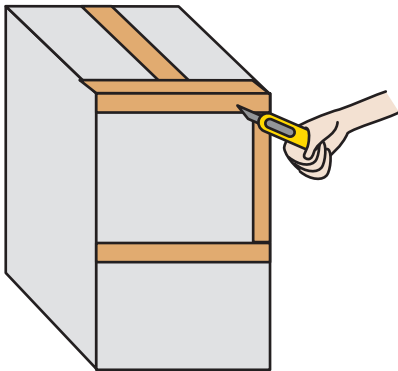

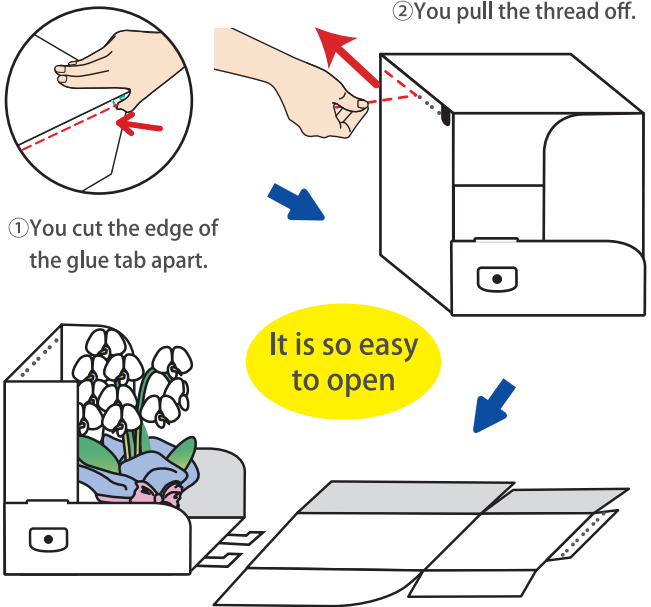

I can easily pick up even me.

It is available as a display stand.
